

# Friends of Nga Manu Trust Membership renewal 2011

Thank You for your support over the last twelve months. Your support has assisted projects and research into:

- Land Snail
- Puriri Moth survey
- Aquatic fish trap methods
- Mud fish research
- Aquatic invertebrate survey
- Natural history photography
- Tuatara research
- Kaka interaction
- Pateke breeding and release
- Blue breeding and release
- Kiwi breeding
- Philipp Family Foundation Conservation education centre
- Injured native bird rehabilitation

And numerous projects and support work carried out by conservation interest groups in our region and nationally.

We look forward to your continued support.
