

Friends of Nga Manu Trust Membership renewal 2010

Thank You for your support over the last twelve months. Your support has assisted projects and research into:

- Aquatic fish survey
- Mud fish research
- Aquatic invertebrate survey
- Natural history photography
- Tuatara research
- Kaka interaction
- Kereru impact and rehabilitation
- Pateke breeding and release
- Blue breeding and release
- Kiwi breeding
- Conservation education
- Injured native bird rehabilitation

And numerous projects and support work carried out by conservation interest groups in our region and nationally.

AGM

Details will be sent to all members regarding our AGM later in the year. A guest speaker will be in attendance and a review of the last year's activities will be followed with a discussion on future directions of Nga Manu.

We look forward to your attendance

We look forward to your continued support.
